The AZOAN is the official publication of Alpha Zeta Omega Pharmaceutical Fraternity, which is incorporated under the laws of the Commonwealth of Pennsylvania. The Publication is circulated throughout the United States, Canada, Dominican Republic and Israel. Advertising is accepted subject to Chapter 12, Sec. 183 of the Constitution of the Alpha Zeta Omega Pharmaceutical Fraternity, Inc. Signed contributions express the viewpoint of the writers and must not necessarily be construed as that of the Fraternity.

All material contained herein has been written expressly for the AZOAN and reproduction of said material in total or in part is hereby forbidden without the express permission of the Editor.

From the desk of the editor...

My story begins back in Montréal when Directorum Vince Paul pulled me aside to discuss my future in AZO. Having just ended my first term as a Supreme officer, I was eager to remain among the movers and shakers of AZO.

Confident in my devotion to the fraternity, he suggested I take on the AZOAN. Having lived with the editors of the previous two AZOANs, thus witnessing first hand the late night phone calls, the seemingly endless emails, and constant pressure to make deadline, I hesitantly agreed. Although this year's production story was no different, having the chance to communicate with fraters from around the country further solidified my devotion to AZO, which Vince was so apt to recognize.

This fraternal year has not only been successful but, more importantly for our future, it has been progressive. Throughout our history, fraters have remained insightful, recognizing the need to continuously move forward and stay ahead of the trends. Following in their footsteps, we too must remain flexible, especially now that we are faced with a new world of pharmacy. Today's pharmacist can practice in any one of a dozen or more settings. No longer do our fraters share the common experience of the independent retailer, or do they remain in the same region they grew up in, or do they work the standard 9 to 5 work week. So where do these changes leave us? In this time of distance and variability, our fraternity must develop new ways to encourage communication between fraters and to promote and maintain membership. One way this need is being met is through improvements in our website. Frater Mort Smith is to be commended for his diligent work both in modernizing the website's appearance and in increasing its functionality. This progress, however, must only be the start. In continually developing our website, we can not only promote the fraternity but we can keep communication lines open, thus making it easier to preserve our bonds of peace, friendship and brotherly love.

We are also looking towards the future with the establishment of our mentor program spearheaded by Fr. Alan Abrams. In addition to networking current fraters and to providing career assistance, if implemented efficiently, this program will also aid in the activation of new chapters. The reactivation of Psi chapter, along with interest at two other universities is a start, but we need to continue to promote ourselves in order to increase our vitality. Moreover, our alumni chapters need to explore new ways of retaining membership; sure, C.E. credits are always enticing but together we must cultivate new ways of encouraging fraters to remain active at every stage of their professional

careers. Just as our forefathers demonstrated their adaptability, we too must be innovative in order to keep our fraternity thriving.

In closing, I would like to thank Directorum Vince Paul, Mike and Lois Seidenman, Lou Flacks, Don Reisfeld and lastly, my girlfriend Mary Kropp who, in addition to editing this year's AZOAN, tolerating those late night phone calls and endless hours at the computer, has for the past four and a half years given me a reason to be eternally grateful to AZO. I look forward to seeing you all in Boston.

Fraternally,

Stephen Imperato

Supreme Directorum Report

As the last day of this fraternal year draws near, there is the traditional look back: a look at what was expected and what was.

For me, that look needs to go way beyond just the beginning of this fraternal year. That look must start 29 years ago in Philadelphia, with me as a college freshman. Presented with bids from two fraternities, one from AZO (expected) and one from KY (unexpected), I felt unsure which direction to take. I remember being in chemistry lecture and opening my spiral notebook to a fresh page. I drew a line lengthwise down the center of the page and wrote AZO as the left header and KY as the right. I proceeded to list each of the positive things I knew about the fraternity or the brothers from each fraternity. The KY list, though off to a good start, quickly slowed. The AZO list kept going on and on. In a way, I'm still working with the same list. Many of the people listed in chemistry lecture that day I still count among my friends. I hope that this year lengthened the list of what would be considered AZO's accomplishments.

This year saw the re-activation of Psi Chapter at Nova University in Palm Beach. This was an activation that came unexpectedly at the beginning of the year. Fr. Race Land and the fraters there are to be congratulated. They have been having regular meetings and are getting to know each other. Prior to their joining AZO, they had all just been acquaintances at the college. I was pleased about the auspicious start to the fraternal year.

Unfortunately, the other two chapters that we hoped to have started did not materialize. The University of Findlay is a newly organized pharmacy school. We were expecting for them to have their organizational open house in the fall semester. This open house did not occur until mid-March and the interest in fraternities was not what was expected. The University of Albany students (whom many of you met in Montréal) went through wonderful year of community service and school activity in their attempts to gain recognition by the Inter-Fraternity Counsel. However, their energy went unrewarded: the IFC decided to deny them admission to the college as a fraternity. They are able to reapply next year for re-consideration. This re-application is uncertain at this time.

One of my goals was to have the fraternity history updated with the writing of the 'Next 20 Years'. As of this writing, this task is still proceeding. Frater Strell is still compiling the information and lists necessary to the task. He is still polling the Supreme Directorums of each year for information. He is still authoring the prose. Frater Strell expects the completion of the manuscript about the Boston Convention. Please join

me in thanking Bruce for all of his work. I look forward to reading the outcome of his labor.

Another goal was to increase the use and abilities of the website. Fr. Mort Smith proved himself open to new challenges by augmenting the website in several ways. Most conspicuously with some minor changes in the look of the pages. More importantly with the new abilities for the chapters to submit excheque and signare reports on-line. Additionally, the appropriate supreme officers are able to directly access mailing lists.

During the fraternal year, I made visits to several chapters. My first visit was to Epsilon for their fall rush. I visited Palm Beach for the re-activation of Psi Chapter. This event included many of the PSD's that reside in the area who assisted with the ritual. Most significantly, Frs. Bruce Strell and Matt Gimbar, who were the primary orchestrators of the reactivation, were present. I had the opportunity to re-visit South Florida again in March with a visit to Miami Alumni. Miami had a fantastic brunch at the Hard Rock Casino in Fort Lauderdale. I was able to meet many of the Miami fraters and had the opportunity to award six 50-year pins to Miami fraters. As of this writing, I have a visit planned to Baltimore for a dinner with the Kappa Chapter. I am sure that more visiting opportunities will arise in the coming days.

I wish to thank the entire slate of officers, elected and appointed, for the incredible support this past year. The minutes were completed on time, the excheque reports were complete and accurate, the newsletters were of the appropriate number and spaced well, and all of the myriad of other things that the fraternity needs to run well were done. I appreciate all of the work that my fellow fraters have put into this year.

Big thanks to my wife, Cheryl, and Nicholas and Isabella for their support this year. They have tolerated the many calls and nights on email.

I hope the fraternity, in years to come, agrees that this year saw positive additions to the AZO side of the page.

Fraternally,

Vince Paul

Supreme Directorum 2005 - 2006

The Jay L. Pollock, P.S.D. Memorial Fund for The Association for Developmental Disabilities

The Association for Developmental Disabilities provides services for adults with special needs. It is a non-profit charitable agency offering adults with developmental disabilities a supportive environment in which to learn life skills. The focus of the group is to help improve their members' quality of life and self-esteem through group interaction. This is achieved by the development and acquisition of social skills, work habits, greater independence and self-sufficiency. Clinically trained personnel supervise these services. They seek to increase community acceptance of their members and to create public awareness of the issues confronting them.

Alpha Zeta Omega is proud to be assisting the Association for Developmental Disabilities once again this year. Our local chapters have been hard at work this year raising funds and awareness.

In addition, the fund in Fr. Jay Pollock's name provides scholarship for those participants who cannot afford the association's membership fee as well as assistance for their programming.

Please send donations to:

Association for Developmental Disabilities, Inc.

National Auxiliary President Report

Greetings from the National Auxiliary President.

We started off the year in wonderful Montréal, where I think we had the nicest, classiest convention in a long time. Then we went to the South and enjoyed Savannah, Georgia. It's been a great year for travel and now we look forward to seeing our friends

in Boston, Massachusetts. I know the Tau Chapter is working diligently to make our summer experience one to remember. So, everybody, plan to come to Convention in Boston. You won't be sorry. After all, the important thing is that we are together again in the spirit of AZO, which has personally brought me many happy memories

Mike and I will see you all there. Congratulations to Directorum Vince Paul for a great AZO year. It's always fun to sit on the dais with a good friend!

Love,

Lois Seidenman, P.N.P.

National Auxiliary President

Supreme Sub-Directorium Report

I would like to take a moment to thank Directorium Vince Paul for asking me to be his Sub Directorium. It has been an honor and pleasure working for him. All I can hope is that I met his full expectations.

Alpha Zeta Omega means so much to me. As each year passes, I have come to the realization of how much

AZO really means to me. Family, that's the name of the game. Each one of us is family to each other. From 20 year olds to 90 year olds, we are brothers.

I hope everyone who reads this article can see that. That is what I hope will keep AZO alive and well.

It has been a great year, with conventions in Savannah, Georgia and Boston, Massachusetts the activation of a new chapter in Florida, new winners each year in the national raffle, Doctor Jeff Levy being named Frater of the Year and undergraduate chapters thriving.

I'd like to say thanks to all for a fabulous year.

Fraternally,

Steve Brooks, P.S.D.

Supreme Sub-Directorium

Supreme Excheque Report

I would like to express my sincere gratitude to the fraternity for allowing me the opportunity to serve as the Supreme Excheque for a second consecutive term. It has been a great honor to be able represent the fraternity once again on the national level. Thank you to the following chapters and their respective excheques in keeping me

informed of their financial situations: Beta, Boston Alumni, Connecticut Alumni, Epsilon, Detroit Alumni, Eta, Kappa, Miami Alumni, Milwaukee Alumni, Nu, New York Alumni, Philadelphia Alumni, Psi, Sigma, and Tau. I would also like to recognize and show my appreciation to Frater Shari Fine for her work with AZO Direct, as well as the members of AZO Direct, Detroit Alumni, Epsilon Alumni, and Philadelphia Alumni; without your patience and cooperation the direct billing program would not be where it is today. I look forward to seeing you all at the upcoming convention in Boston, where I will present my second financial report of the fraternal year.

PF&BL,

John Anciano

Supreme Excheque

Supreme Signare Report

I appreciate the opportunity that I have once again been given to serve the fraternity in my present role. I thank those chapters that have kept me abreast of their events and happenings. Over the course of the past year, I have received communications from Beta, Detroit Alumni, Epsilon, Kappa, Nu, NY

Alumni, Psi, Sigma, and Tau. As of the filing of this report, we have inducted 77 fraters.

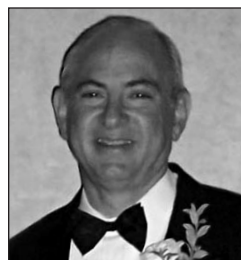

I thank Frater Paul for this opportunity, my congratulations to Frater Jeff Levy on his Meritorious award and I look forward to seeing you in Boston.

Fraternally,

Brian Pinto

Supreme Signare

Raffle Report

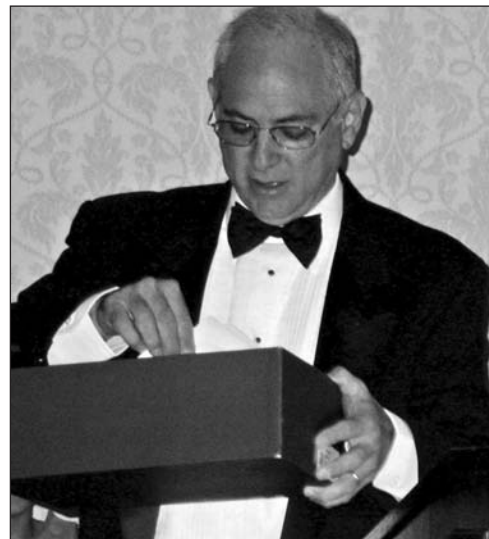

It has been another good year for the AZO National Raffle. I have been running this since its inception. I enjoy doing it and am delighted that the past Supreme Directoriums have asked me to run it again. All proceeds from the 50/50 split go to the Supreme Chapter to help offset costs for the AZOAN, scholarships and under-

graduate expenses. When you buy a ticket or tickets you help AZO. So, when you see that flyer come in the mail, open your wallet or purse and help AZO!

Fraternally,

Steve Brooks, P.S.D.

Committee Chairman

Steve Brooks pulling out another raffle winner... you could be next!

Deputy Report

This has been an extremely exciting year to be Deputy. I was contacted by Dr. Donald Stansloski, Dean of the School of Pharmacy, University of Findlay, in Northern Ohio. What made this call so special was the fact that Dean Stansloski wanted AZO at his school because of our "great diversity." Past Undergraduate

Representative Stephen Imperato and Supreme Signare John Anciano attended an activities fair in March to tell the Findlay students what AZO is all about. We hope to have a new chapter up and running next year.

Undergraduate Representative Matt Gimbar and Bruce Strell, PSD, led a delegation of AZO PSD's and fraters to initiate new fraters and install officers at the newly reactivated Psi Chapter at Nova Southeastern University, West Palm Beach, Florida.

Our biggest disappointment was the refusal of by the IFC at Albany University to allow us to charter the Alpha Epsilon chapter. The students worked so hard to make AZO happen on campus and then they were slapped in the face. We will continue to work on this, and hopefully we will have a Chapter in place next year.

I want to thank Supreme Directorum Paul for the honor of working with him this year. It has been a great pleasure.

Faternally submitted,

Mike Seidenman, P.S.D.

Deputy

AZO Direct Report

AZO Direct is the chapter established for Direct Members, members without affiliation to another chapter. This chapter is intended for alumni members who are no longer associated with an active chapter. In return for dues payment, a member will continue to receive all fraternity mailings, the annual AZOAN, and the great feeling of being a part of AZO.

This years AZO Direct had 56 dues paying members. We had two previous members reported as deceased and two previous members that declined membership. Two mailings were sent out to over 150 fraters that had previously paid dues to this chapter. Eight previous fraters came back with a change of address which was forwarded to the Director of Mailing.

I would like to thank Supreme Directorum Vince Paul for this appointment. As always, it has been my pleasure to serve the fraternity.

Faternally,

Shari D. Fine, P.S.D.

AZO Direct Chairman

Electronic Communications Report

Fraters... Never let it be said that AZO is stagnant! During this past year, your web site has gone through many changes.

First, the "look" has been changed to allow easier surfing about our many paged web site. From almost every page you can travel to your next site of interest with ease.

Second, your chapter's excheque can now send in your chapter's monthly financial report to the Supreme Excheque directly from the web site. No more slow mail is required.

Third, newly inducted fraters can have their "ABCD" cards sent to the involved Supreme Officers directly from our web site. However, they still have to "highlight, print, sign and mail" their financial responsibility to the Supreme Excheque who will then notify the Supreme Officers that need to be brought up to date.

Fourth, I hope to have up and running the ability to send your chapter's monthly minutes electronically to the Supreme Signare by the time you read this report.

With the ease with which your chapter can send in these reports, there should be no reason why the vast majority of chapters could not be able to qualify for the Directorum's Cup given out at the yearly convention.

Of course, I can not let the opportunity go by without requesting those fraters who have not registered their e-mail for the web site to do so and to not forget to keep it up to date.

Faternally,

Mort (Bubba) Smith, P.S.D.

Director of Electronic Communications

e-mail: mortsmith@azo.org

Financial Affairs Report

First let me thank Directorum Paul for my appointment to this office.

As of this writing, we have managed to stay in the black this fraternal year. Our meetings in Montréal and Savannah have been self sustaining and we have even shown a small profit.

My thanks to Supreme Directorum Paul, Excheque Anciano and Frater Lou Flacks for making this all happen. I will talk to Excheque Anciano before convention to go over any problems that may arise and ensure that our records are up to date at that time.

Faternally,

Ernie Jacobson, P.S.D.

Director of Financial Affairs

Supreme Chaplain and Good & Welfare Reports

The Supreme Chaplain and the Supreme Good and Welfare offices have been combined into one position, beginning this Fraternal Year. It has been my pleasure to serve in this capacity for the 2005-2006 Fraternal Year.

Throughout the year I have sent:

- Birthday greetings to Past Supreme Directorums and Supreme Officers
- Anniversary congratulations to Chapters
- Get well wishes to Fraters and family members
- Condolences to family members of recently deceased Fraters
- Names of recently deceased Fraters for inclusion in the Memorial Book

The Silent Mortars are included in this 2006 AZOAN. In addition, I have given the invocation at Supreme functions. I will be leading the memorial service at the 86th National Convention in Boston, Massachusetts.

I have enjoyed serving the Fraternity in this capacity. Combining both positions has worked well. I thank Supreme Directorum Vince Paul for selecting me for this position.

Fraternally,

Paul R. Holly, P.S.D.

Supreme Chaplain and Good & Welfare

Director of Fraternal Affairs

It is the duty of the Director of Fraternal Affairs to act as a source of fraternal tradition, knowledge, and protocol. In this regard, information and advice has been given to Supreme Directorum Paul, Sub-Directorum Brooks, Signare Pinto, Excheque Anciano, the Winter Regional Committee, and the National Convention Committee.

I had the pleasure to assist in the reactivation of Psi Chapter at Nova Southeastern College of Pharmacy Palm Beach campus. My thanks to Supreme Directorum Paul, Deputy Seidenman, and Undergraduate Representative Gimbar for all their support in this effort.

At the time of this writing, The History of Alpha Zeta Omega – The Next 25 Years 1980-2005 is a work in progress. Further information will be available in Boston this summer.

My thanks to Supreme Directorum Paul for his trust in appointing me. I hope that I was able to live up to his expectations.

Fraternally,

Bruce Strell, P.S.D.

Supreme Signare

Supreme Historian Report

They say, a picture is worth a thousand words. I say, words can't describe the memories captured in photographs over this past fraternal year. This was an exciting and eventful year. It was a pleasure to serve AZO as the Supreme Historian as my first Supreme office. I have taken many pictures at the conventions held in Montréal and Savannah, as well as at other fraternal events during the year. I'd like to thank everyone who has helped me collect photographs and information that will assist me in creating a memory album that will be presented to Supreme Directorum Vince Paul. I'd like to thank Vince for my appointment and hope to continue my involvement in the Supreme Chapter. I look forward to seeing you in Boston.

Fraternally yours,

Byron Brunner

Supreme Historian

Associate Signare Report

My year as Supreme Associate Signare is coming to an end. I would like to take this opportunity to thank all fraters, throughout the country, that have made this office an enjoyable experience. I hope you enjoyed reading The Apothecary and the new additions to it. See you in Boston.

Fraternally

Harry Lieberman

Supreme Associate Signare

Supreme Bellarum Report

It has been a pleasure serving as Supreme Bellarum for this fraternal year. I hope to see many of you in Boston. Best wishes to all!

Fraternally submitted,

Leonardo 'Salsa' Ortega

Supreme Bellarum

Newspaper Cup Report

It has been great to hear from different chapters through your newspaper submissions. I hope participation in this newspaper cup will increase so the fraternity at large can keep up to date with all the chapter activities throughout the year. Keep writing, keep communicating, Supreme loves to hear from all of you! I will see you in Boston!

Fraternally submitted,

Leonardo 'Salsa' Ortega

Chairman Sidney Rome Newspaper

Supreme Undergraduate Report

It feels like it was just yesterday that I was accepting the position as Undergraduate Representative, now I find myself looking into booking my hotel room for the next summer convention in Boston.

Truth be told, it was a very eventful year for me as both a 5th year pharmacy student and our Undergraduate Representative. In between all the exams, I had a few amazing opportunities to travel and help out our fraternity all at once. I am just thankful to have had this chance to make a difference and participate in the activities. I guess this is pretty much the last time I will get to communicate with our fraternity as Undergraduate Representative, so I wanted to use this opportunity to thank our Supreme Directorum Vince Paul for allowing me to make the most out of the year. I feel I did the best I could to fulfill my duties and hope that the fraternity will benefit from my work. I plan on being accessible to our next Undergraduate Representative in helping him or her do their work. In closing, I just wanted to say thanks again to everybody and I promise to work hard in the future.

Peace, Friendship, and Brotherly Love,

Matthew Gimbar

Supreme Undergraduate Representative

Supreme Legal Advisor Report

There were no issues brought to this office this year. It is good to say that because when concerns come to this office, no one is generally completely satisfied with the conclusion. I thank Supreme Directorum Vince Paul for selecting me. It was a pleasure to work with the Board this year.

Fraternally yours,

Joy Pollock, Esq., P.N.P.

Legal Advisor

Trade Relations Report

I am pleased to report that this office, with the help of many fraters across the country, has successfully reached its goal. I also wish to thank the numerous pharmaceutical manufacturers, wholesale companies, as well as retail pharmacy vendors for their generous support.

Respectfully submitted,

Jeff Levy, M.D.

Director of Trade Relations

Mentor Committee Report

The Supreme Chapter of the Alpha Zeta Omega fraternity is in the process of setting up a committee of professional mentors. These mentors would impart their knowledge on various pharmacy subjects to those Fraters requesting it. I have had approximately a dozen Fraters respond to my first request for

Mentors. I would like to see many more Fraters volunteer to be Mentors because this can become a very important and useful program for our organization.

The fields of Pharmacy and higher education that are covered by those that have volunteered to date are:

- Mail order pharmacy •IV Home infusion •Retail store owner
- US Public Health service •HIV drug specialist
- Retail pharmacy •Nursing home provider •Long term care
- First year law student •Medical doctor •Hospital pharmacy
- Assistant editor of a professional publication
- Activity in local and state pharmacy organizations
- Manager of Technical Affairs for a generic drug importer.

This is a great start but we need more Fraters to get involved. Even if your field of expertise is one of the above we need you on this committee. The more input that we have the better the program will be.

I would also like to be able help Fraters looking for relocation information. This might cover job opportunities, job conditions, pay scale, housing information, etc...

Fratr Mort Smith has set up a link on the AZO website, www.azo.org, which will further explain this program. Click on the **SUPREME CHAPTER INFORMATION** link. This will take you to the **MENTORSHIP PROGRAM** link. To request information click on the **MENTORSHIP** link. Use the site and link even if the information you want is not listed and I will try to get you the information you request. The site is up and available now! If you would like to become a mentor please contact me. My e-mail is aeabrams1@aol.com and my mailing address is 1796 Spring Path Trail, Clemmons, NC 27012. My phone number is 336-766-3403.

If you have any ideas or suggestions about the workings of this committee please let me know about them. To make this program work we need your help and expertise, so please take a few minutes to contact me and let me know what you would like to do.

The Fraternity needs your help to make this work. This can bring the undergraduates and Alumni closer together please volunteer now.

Thank you,

Alan Abrams, P.S.D.

Director of Continuing Education

I am pleased to report that this office, with the tremendous help of fraters Mort Smith and Lou Flacks has presented A.C.P.E. accredited continuing education programs in Savannah, Georgia and Boston, Massachusetts. We wish to thank those Pharmaceutical companies for their educational data support.

Fraternally submitted,

Jeff Levy, M.D.

Director of Continuing Education

Director of Mailing Report

I am pleased to report that this office has mailed newsletters, flyers, regional and convention information, an AZOAN and fraternal communication in a timely and economic fashion. We have renewed our bulk mailing permit, and will come under budget this fraternal year.

Fraternally submitted,

Louis Flacks, P.S.D.

Director of Mailing

Director of Corporate Alliance Report

I am pleased to report that we've succeeded in meeting our financial goals, and we're strengthening our relationship with major corporations in the pharmaceutical industry.

Fraternally submitted,

Lou Flacks, P.S.D.

Director of Corporate Alliance

2006-2007 Proposed Regional and National Convention Report

The 2006 National Convention will be held at the Hyatt Regency Boston Financial District Hotel in Boston, Massachusetts from July 19-23, 2006. The proposed 2007 Regional Convention will be held mid-January 2007 in Las Vegas, Nevada and sites under consideration for the 2007 National Convention are Orlando, Florida and Puerto Rico to be held mid-July 2007.

Respectfully submitted,

Lou Flacks, P.S.D.

2006 Convention Chairman

The Sidney R. Rome Memorial Newspaper Award

AZO's Superior Chapter Publications

The Sidney R. Rome Newspaper Award was presented to New York Alumni, Epsilon and Tau chapters on July 14, 2005.

Jenny Fradette of Tau Chapter receiving the Newspaper Cup.

Manny Fiel presented the Directorum Cup to Dr. Jeff Levy, while Marian and Ken Pasetsky of the New York Alumni received the Sidney R. Rome Memorial Newspaper Award on July 14, 2005.

Directorum's Cup for Chapter Proficiency

The most important annual award in all of AZO...

This award is presented at a luncheon during the National Convention to the Directorums of those chapters who showed the greatest amount of activity and progress during the year. These awards are not competitive in that more than one is often given.

Directorum Cups were presented to New York Alumni, Epsilon, and Tau Chapters on July 14, 2005 in Montréal.

Kim Hanna of Tau Chapter receiving the Directorum's Cup.

Montréal National Convention Report

Our neighbors to the north welcomed us with open arms once again as our 85th National Convention was held in Montréal, Canada, July 13-17, 2005. Our convention in this beautiful bi-lingual city, was held at the rooftop Hilton Bonaventure Hotel in downtown Montréal. As in the past, although the formal festivities started on Wednesday, many people, including our Sub Directorum, came earlier in the week to get a head start on enjoying the sights and sounds of Montréal. (The Paul's had just about worn out their sneakers by the time most people got there!) Wednesday evening we began the convention with a beautiful outdoor cocktail reception, then dinner honoring Frater Shari Fine, PSD as the Meritorious Award Recipient. Thursday after our respective meetings, the fraters and auxiliary enjoyed a delicious lunch and then an always informative continuing education program by our own Dr. Jeff Levy. We all scurried back to our rooms to prepare for our evening entertainment an exciting bus tour of this beautiful city and then dinner at the magnificent Helene de Champlain Restaurant. Afterwards, for those needing more excitement, our driver dropped us off at the famous Montréal Casino. The rest of us headed back to the ever popular Hospitality room to continue to meet and greet each other. Friday was our free day to roam the streets (and the stores!) to see how the other half lives. On a personal note, this night as well as earlier in the week, gave us an opportunity to savor the unbelievable cuisine in Montréal. No matter who we were with, we all agreed we have never had such incredible food in our lives (definitely a reason to re-visit). Saturday evening was our elegant installation of the new officers and the induction of Frater Vince Paul as Supreme Directorum and Lois Seidenman as our National Auxiliary President (again – but she loves the job). Lou Flacks handed out long stem roses to all the ladies, the food was outrageous, the music “rocked” and a good time was had by all. For most of us, Sunday after breakfast brought our sad goodbyes and hopes to see each other in Savannah in January.

Fraternally,

Gloria Flacks, P.N.P.
Convention Co-Chairperson

A Kodak moment high above the city of Montréal.

Savannah Mid-Year Regional Convention Report

When Lois and I were asked to chair the Savannah Winter Meeting, we knew right away that this was a chance to do something special. We wanted this convention to be classy and high type like some of the "old AZO Conventions" that we heard about years ago. Savannah, being "Old South", made this a reality.

With the Hospitality Room open, except during functions, from after dinner on Tuesday till the end of the Convention, we had more than enough time to sit and talk.

The Convention kicked off on Thursday night with a Southern Graze at The Gingerbread House, built in 1899 and considered one of the most outstanding examples of Steamboat Gothic gingerbread carpentry in the United States. We had the run of this old mansion and were treated to music provided by The Bob Alberti Trio. Bob's music background goes back over fifty years. Among his credits are Bob Hope's Musical Director from 1970 to 1993 and an alternate pianist on the Johnny Carson Show.

After dinner we were picked up and taken on a Ghost Tour of Savannah.

Friday morning we were treated to a tour of some of Savannah's history. Then we had the rest of the day free to see the city for ourselves.

Saturday was meeting day. After the Supreme and Auxiliary meetings, we had a light lunch followed by one of Dr. Jeff Levy's famous and informative continuing education seminars.

Saturday night was the high point of the convention. Frater Taylor Hackett, Epsilon Chapter, was the recipient of the Jay L. Pollock Supreme Undergraduate Award. Taylor is a worthy addition to the list of past recipients. Sadly, Sunday was here and goodbyes until next time were the word of the day.

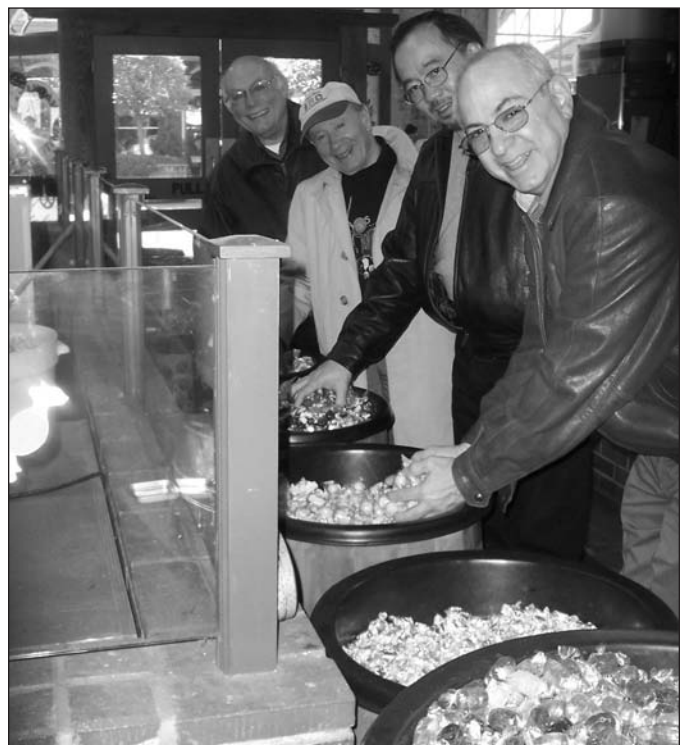

Mike Seidenman, P.S.D.

Jay L. Pollock Undergraduate 2006 Award Recipient, Taylor Hackett being congratulated by past recipients (left to right) Bruce Strell, P.S.D., Shari Fine, P.S.D., Vince Paul, Stephen Imperato and Lenny 'Salsa' Ortega.

It's time for Mark Rosta, Bruce Strell, Brian Pinto, Rob Hunsberger, and Len Goldfeld to ante up.

Chapter Reports

New York Alumni

As the fraternal year is coming to an end, we would like to thank all fraters and their families for supporting NY Alumni by attending our meetings this year. On behalf of all the fraters, we want to thank Phyllis Goodman for once again arranging the theater party this year. The Color Purple was a terrific choice and was followed by a wonderful dinner at Pergola Des Artistes. Additionally, Phyllis deserves thanks for planning the luncheon meeting held in New York City at Cooper 35.

Our May meetings took place at the Roxy Deli for the men and the Saks luncheon for the women – thanks again, Phyllis. The June 4th meeting, our last meeting of the year, will be at Travelers Rest. The Elections of Officers will take place then and we hope you will attend. (A word of caution: if you don't attend, you may find yourself elected in absentia.)

Thanks to Lou and Gloria Flacks and Steve and Agnes Brooks for a great Winter weekend at the dude ranch in February. We have already made arrangements to return next year. All who attended had a good time and our newsletter had the photos to prove it! Speaking of the newsletter, thanks to Ken and Marian Pasetsky for their continued excellent job in documenting NY Alumni's events. A big thanks to Jeff Levy for the continuing education programs that he has presented. They were all very informative and gave insight to current health subjects that pharmacists should be aware of. Last, but not least, congratulations to Jeff and Cari on their marriage this spring. Looking to the future, the Convention this summer is in Boston, Massachusetts from July 19 to July 23. See the information at the website for more details.

We hope that you have a wonderful summer and we are looking forward to seeing you in September.

To our members currently fighting an illness, our prayers and thoughts are with you.

Peace, friendship, and brotherly love,
NY Alumni Chapter Board

Eta Chapter

Left to Right Sitting: Eudie Landman, Eleanor Segal, Minnie Pinsky, Annette Weinstein, Rhoda Grimsky and Lois Seidenman

Left to Right Standing: Jack Landman, Herb Segal, Richard Pinsky, Woody Weinstein, Alan Grimsky and Mike Seidenman

We are doing very well. We have monthly meetings where between 7 and 12 of us meet at a local restaurant. This past meeting we elected our officers for the active 2006-2007 fraternal year and they are as follows:

Richard Pinsky, Directorum
Jack Landman, Sub-Directorum
Elliott Greenberg, Recording Signare
Joe Stein, Corresponding Signare
Woody Weinstein, Exchequer
Herb Segal, Bellarum

We look forward to a very active year 2006 to 2007. In addition, we have selected Leonard Streicher as our man of the year and we will be having a beautiful dinner to celebrate our selection. The dinner will be held on June 25th.

We had a good turn out for our last seminar and are planning another for sometime in July. We usually attract between 80 and 100 pharmacists from the greater Cincinnati area.

Other than that everyone is in good health and Herb Segal who had hip replacement is up and about and back to work. That seems to be it for now.

Fraternally,

Richard Pinsky
Eta Chapter Directorum

Nu Chapter

The start of this past year was one of rebuilding for the Nu chapter and we ended the year as a success! Despite losing four committed members to their fast-approaching rotations we have gained eight new members looking to be involved. Our fraternity was very active in the University of Connecticut's School of Pharmacy events. A lot was going on because the School of Pharmacy celebrated it's 80th year at UCONN. On alumni weekend our fraternity had the opportunity to meet AZO alumni as well as some fellow fraters from Rutgers University. The big fundraiser this year was selling UCONN pharmacy sweat shirts, sweat pants, and t-shirts which allowed us to have some fun! Our group is small at approximately 19 members, but with that comes a tight-knit group. We enjoyed doing our traditional events like mud volleyball, the pledge scavenger hunt, and eating out at local restaurants. As for community service, our fraternity raised money by holding weekly bake sales for Relay for Life which supports cancer research. For the upcoming 2006-2007 school year, the Nu chapter is looking to be more involved nationally with AZO and hopefully raise enough money to attend one of the conferences. We wish all the best for the Pharm-D graduates of AZO and look forward to another exciting year!

Fraternally,

Jennifer Drapeau
Nu Chapter Directorum

Miami Alumni

Miami Alumni is starting to show its age (physically). We have tried to have a "gathering" every 3-4 months. Most places require a guarantee we can't meet. But we try. SD Vince Paul and Cheryl visited with us at the Seminole Hard Rock Casino. We did have a nice showing for them. I think I heard Vince say "if he doesn't hit the slots he'll have to hitch hike back". Our last meeting of this fraternal year will be at the home of Doris (PNP) and Irwin (PSD)/Directorum in June. Good luck to the incoming officers.

Fraternally,

Irwin C. Feder, P.S.D.
Miami Alumni Directorum

Sigma Chapter

The 2005-2006 year was an outstanding one for the Sigma Chapter here in Toledo! We were involved in so many activities that I'm bound to leave some out as I do my best to summarize! To begin the year, pledging was a huge success. Primary pledging activities included Green Carpet, the Scavenger Hunt, and the Kappa Psi Halloween party. The weekly pledge meetings were a chance for the group to get to know one another more intimately and also have some fun with painting the rock, carving pumpkins, and taking a trip to the Rec. The annual Big/Little party was certainly one to remember as well! Finally, a total of thirty new fraters were inducted at the 2005 Activation. Thanks to Pledge Master Bridget Doyle and the entire Pledge Committee for all the work put in to this year's pledging process.

Active fraters kept busy during the fall semester with other activities as well. Community service included volunteering at a local MR/DD home, cooking dinners for the Ronald McDonald House, mentoring children at area schools, and adopting a stretch of highway to remove litter from bi-annually. The Sigma chapter collaborated with two other pharmacy fraternities at UT to gather donations of items and money to be sent to the hurricane relief efforts in AZO's adopted town. Sigma members and pledges attended the Homecoming tent and game together. Fraters raised money by working concession stands at football games. Our chapter sold UT College of Pharmacy beer mugs and also held a hot chocolate/baked goods sale. Ending the semester on a high note, we sponsored our annual Toys for Tots raffle, in which we gathered prizes from local businesses to raffle off and donated the grand prize MP3 player from our own funds. Ticket sales and monetary donations totaled to over \$700 to be donated to local needy families for holiday gifts.

Over the holiday, our chapter was able to send three representatives to the National Convention in Savannah. Fraters Andrea Pallotta, Jared Stroud, and Emily Leckwatch reported back to us all the amazing time they had and the entire chapter was thrilled to have these individuals representing us to the rest of AZO.

Spring semester brought more fun and hard work. We continued all of our ongoing community services. This semester we were also able to make Valentines for the residents of our MM/RD home and had two fraters represent our organization in the campus-wide charity event, Dance Marathon. The chapter met huge financial success with a College of Pharmacy "Top 10 Reasons to Date a Pharmacist" t-shirt sale. Fraters Mike Daley and Molly Patterson were pivotal in making that endeavor successful...our organization was able to

profit more than anyone had anticipated! Thanks, guys! Our annual Bowl-a-Thon was again successful, thanks to the efforts of last year's Directorum Megan Vozar. Despite the fact that the only bowling alley we could use was nearly 20 minutes from campus, we sold the event out completely! CVS generously sponsored us, which we appreciate. We were also lucky to have Fraters John Anciano and Stephen Impertato join us from Epsilon for the weekend. The event was a ton of fun for everyone, and for the third year in a row we were able to go beyond the "break-even" status which the event had so long held. Awesome work!

Our year concluded with Deadman's. We continued the new tradition of holding a semi-formal dinner to commemorate the ending of our year together. We shared an excellent dinner, awards were given, and everyone enjoyed a slide show of photos from the year. Next year's officers officially took over their new positions and their enthusiasm ensures that in the upcoming year, the Sigma chapter will continue to excel.

On a final note, I want to give a personal thanks to each member of our chapter. This year was amazing...we all accomplished more than I could have hoped for. An especially dear thanks goes out to all executive board members and committee members. Each member makes our chapter the success it is and will continue to be. You are all the best! Good luck to all and many thanks for everything.

Peace, friendship, and brotherly love,

Sarah Stewart

Sigma Chapter Directorum

Philadelphia Alumni

The Philadelphia Alumni is at this point divided between North and South. Many of our fraters spend the winter in Florida and the other half stay up north the whole time. That is why we only met in October at the Moonstruck restaurant (ably chaired by Frater Mort Smith). After a great evening with good food, we said our goodbyes to the snowbirds. A few of us did meet up again in January in Savannah. The Fiel's, (who now live in Clearwater full time), the Smith's, the Jacobson's, the Paul's and Joy Pollock. The CE program run by the Philadelphia Alumni was a huge success this year. Thanks to Ronny Goldman, Neil Garber, Merv Melrose, Mort Smith and Ernie Jacobson. We are planning an end of year event and hopefully we will meet again in Boston. Thanks for e-mail, fax's and good old telephone calls that enables us to "keep in touch". Best wishes from the city of Brotherly Love.

Fraternally,

Ernie Jacobson, P.S.D.

Philadelphia Alumni Signare

Kappa Alumni

The Honkofsky's, Holly's, Klein's and Gerstein's enjoyed a gourmet dinner at Helene de Champain.

Kappa Chapter takes great pride in reporting a successful beginning to our fraternal year highlighted by many achievements. In September we honored our frater, Mel Rubin, who led a contingent of volunteer pharmacist working as part of the Maryland Defense Force and specifically as part of the Maryland Professional Volunteer Corps. This group was organized for emergency situations as a result of the 9/11 disaster. Upon deployment Mel and his contingent of pharmacists were sworn into the Maryland Defense Force as part of the Maryland National Guard until they returned from Louisiana. Their unselfish efforts of reestablishing an abandoned hospital were monumental in providing needed medical and pharmaceutical care following the devastation of Hurricane Katrina. Maryland Governor Robert Ehrlich hosted a special ceremony honoring Mel along with all the other volunteers who joined the effort in Louisiana.

In support of the Katrina victims, AZO Kappa Chapter took up a collection and matched contributions from its members at the September and October meetings which totaled \$1,000.00. A check from Kappa was sent to the Woodmere Middle School in Jefferson County, Louisiana to help the school begin its reconstruction efforts.

As pharmacists in the Baltimore area began to learn about the upcoming launch of Medicare Part-D, Kappa was most fortunate to have our own frater, Joe Fine, RPh., MPA, Centers for Medicare & Medicaid Services (CMS), Senior Policy Advisor for Medicaid and State Operations, and Pat Venable Senior Health Insurance Assistance Program (SHIP) Coordinator for Baltimore County, present a symposium to our fraters and the members of the Maryland Pharmacists Association on the current aspects of the role of the pharmacist with the new Federal Prescription Program. That program was so successful that we repeated it again to many fraters at our November breakfast meeting.

The annual David Banks Memorial Scholarship Award, partially funded by the Banks family, was presented to Janelle V. Kidd-Spence, fourth year pharmacy student at the University Of Maryland School Of Pharmacy with the highest grade point average by Shelley Banks, widow of the late David Banks. This award is presented annually to the most deserving student completing the fourth professional year in pharmacy school.

Kappa has been fortunate to have had a successful continuing education series this year covering topics such as

"Electronic Prescribing" with Ken Whitemore from Sure Scripts; "Assisted Conception, Third Party Collaborative Reproduction & The Law: The Changing Landscape" with Margaret E. Swain, R.N., JD; Medicare Part D and the Federal Prescription Program with Joe Fine and Pat Venable; Update on Hypertension by Wallace R. Johnson M.D., and "Generic Drugs and the Approval Process" by Robert West, Deputy Director, in the FDA's Office of Generic Drugs.

Future programs planned for Kappa are "Advances in treatment of Rheumatoid Arthritis", and "Urologic Robotic Surgery in the 21st Century and Pharmacologic Management of Co-morbidities" with Daniel Dietrick, M.D. Also, we are concluding our lecture programs for this year with the first annual Albert Katz Oncology Lecture with Gary I. Cohen, M.D. Medical Director, The Cancer Center at Greater Baltimore Medical Center, speaking on "Cancer Treatment Update: New Targets, New Arrows." This program will be supported by a grant from Ellen Katz, widow of our late frater, Albert Katz who succumbed to a bout with "ALL". Ellen was also instrumental in donating and raising funds to establish the Albert Katz Infusion Pharmacy within the Oncology Center at the University of Maryland Medical System in Baltimore which opened this past year.

We will conclude our fiscal year with the installation of new officers for the fraternal year 2006 - 2007 at our annual June Banquet. We look forward to seeing you all in Boston.

PF&BL,

Arnie Honkofsky
Kappa Chapter Directorum

Detroit Alumni

The Detroit Alumni Chapter wishes all peace, friendship and brotherly love.

We have had a fairly active year since January. Three more members paid their dues and have attended some functions. Welcome Back!!!

Since the first of the year, we have had the following activities: Annual Hanukkah Party with tariff being a contribution of toys to the Children's Leukemia Foundation.

In November, we sponsored a program on the Medicare Part D Prescription Program. Our speaker was Dr. Martin Barr. This program was open to the public and there were over 40 people in attendance.

In April, we had our paid-up membership function with a dinner and comedy performance at Andiamo/Second City.

We wish to acknowledge the recent humanitarian effort of Frater Roberta Henrion. Roberta volunteered to go to New Orleans in the aftermath of Hurricane Katrina. She went with a group from Common Cause, who provided aid to the ill and homeless. Roberta reviewed their prescription needs, consulted on damaged prescription items that needed refrigeration, and helped to replenish medications through donated supplies. The AZO Fraternity wishes Roberta all the best.

Peace, friendship and brotherly love,

Carl Leibowitz
Detroit Alumni Directorum

Epsilon Undergraduate Chapter

As the semester winds down the undergraduates of the Epsilon Chapter have taken their last set of exams, and now some are preparing for clinical rotations while others (including myself) are preparing for graduation. It is truly amazing how this year has flown by, but at least we have the wonderful summer to look forward to. Over this past year the fraters here at Epsilon have been quite busy.

This year we held three professional events, two in the fall and one in the spring. In the fall, Fraters Matthew Samuel and Sitesh Patel (co-chairs of our undergraduate Professional Committee) organized our first professional event of the year entitled, "How to Survive Pharmacy School". The professional event was geared towards students new to the Ernest Mario School of Pharmacy and featured Epsilon Alumni Frater Mehul Patel as the keynote speaker for the evening.

Towards the end of the semester, we held our second professional event entitled, "Life as an Independent Pharmacist". The professional event was geared towards pharmacy students and featured Epsilon Alumni Frater Brian Pinto as the keynote speaker for the evening. The last professional event of the school year was entitled, "Unknown Divisions in Pharmacy", which with and featured Epsilon Alumni who spoke of careers other than that of the traditional retail pharmacist.

Fraters Samudra Raychaudhuri and Taylor Hackett (co-chairs of our undergraduate Philanthropy Committee) kept the fraternity active for the fifth straight year in the Rutgers University Dance Marathon Adopt-A-Family program, by arranging many visits with our sponsored family throughout the school year. The R.U. Dance Marathon is run each year to help raise money for the Institute for Children with Cancer and Blood Disorders, which is the largest student run philanthropic event in New Jersey.

Frater Patricia Kikiras (chair of our undergraduate fundraising committee) has also kept the fraternity busy this semester coordinating many fundraisers this year. Over the course of the year the brothers of the Epsilon chapter volunteered their time, both in the fall as well as the spring, at Six Flags Great Adventure to help raise money for the fraternity.

During the fall semester, much of our fundraising efforts were targeted at helping to raise money for the Hurricane Katrina victims. In total, the Epsilon chapter was able to raise over 700 dollars from the combined proceeds of our

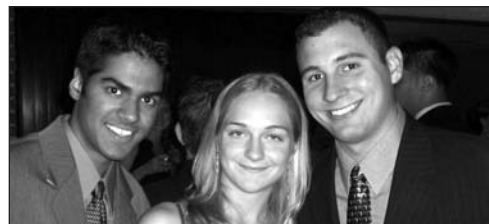

annual Free Giveaway, as well as our "Katrina Bracelets" fundraiser. Thanks goes out to all of the Epsilon undergraduates and alumni for their help and support in raising funds for these unfortunate victims.

I would like to congratulate both the fall and spring Pledge Masters, Frater Sandeep Chakrabarty and Frater John Paul LaForte, on two very successful pledge periods, in which the fraternity gained a total of 14 new brothers. Lastly, on behalf of the Epsilon chapter, I would like to wish all a fun, happy, restful, and safe summer.

Fraternally submitted,

George J. Rusuloy

Epsilon Undergraduate Directorum

Connecticut Alumni

Standing: Peter Patten, Dick Bromberg, Bill Katz, Dave Sharasheff, Shel Karasik (Bellarum), Norm Fleishman (Recording Signare) and Al Rosenthal
Seated: Fred London, Stan Labinger (Sub-Directorum), Harvey Seltzer (Directorum), Don Tishler, Burt Miller (Excheque) and Dick Schuman

Connecticut Alumni Chapter got off to the usual great beginning of the fraternal year with a dinner meeting in September at George's Restaurant in Vernon. Details for the coming year were received with much enthusiasm. We had the pleasure of attending the dedication of the new pharmacy building at the University of Connecticut in late October and it was a most gratifying experience. November found us at Cugino's Restaurant in Newington which was the start of a joyous holiday season. We had the pleasure of seeing "Wicked" at the Bushnell Hall in December which was preceded by a pizza party at the First & Last Tavern which is one of our favorite stops. Our next dinner meeting was held at the Macaroni Grill in West Hartford during February and a grand time was had by all. When April rolled around, it was time again to satisfy our never ending desire for Italian cuisine, so we made our usual stop at Portofino's Restaurant in Kensington. The highlight of our year comes each June with our annual banquet at the Indian Hill Country Club in Newington. This year was extra special with the awarding of 50-year pins to several fraters. Hope to see you at the convention.

Fraternally,

Harvey Seltzer

Connecticut Alumni Directorum

Epsilon Alumni

In the first half of the fraternal year, we held our annual Homecoming event, which was well-attended as usual. The success of this event was due to the efforts of Frater Kevin Manion and the Fall Pledge Class of 2005. And, as you may have seen, we did have the NBC show "The Apprentice" filming an episode and contestant challenge at this event. Please keep in mind that the next Homecoming game will be on Saturday, September 16, 2006 where our Scarlet Knights will face Ohio University.

At the January convention in Savannah, we were able to hold one of our usual monthly chapter meetings (by reaching more than the necessary required quorum, as with every convention we have attended in the last four years). This convention also allowed us to meet more members of other chapters and gave us the opportunity to arrange trips to the Tau Chapter in February and to the Sigma Chapter in March. We will continue to set the goal of reaching out to other chapters and visiting them, while keeping our doors open to have other chapters visit us, which members of NY Alumni, Philadelphia Alumni, and Tau had done this fraternal year.

As usual, everyone had a great time at the annual Epsilon Chapter Semi-Formal held at the Victorian Manor in Edison, NJ thanks to the hard work of myself along with Fraters Leann Clymer, Jason Patel and Brian Pinto. Several members of the Tau Chapter and Frater Vince Paul graciously accepted our invitation as well. Everyone in attendance enjoyed the 4-hour open bar, dinner buffet, dancing and the award ceremony. Frater Vince Paul participated in our award ceremony and served as an inspiration to many of our members including three of our spring class pledges who are now fraters. The following 2006 award winners were recognized:

Simon Sless Award (Epsilon Chapter) – Frater George Rusuloj
Ephraim Sless Award (Epsilon Chapter) – Frater Brian Pinto
Supreme Undergraduate Award – Frater Taylor Hackett

To close the year out, we rejoiced with our graduating fraters at the Annual Roast held at Arthur's Steakhouse in North Brunswick, NJ. Congratulations to the graduating fraters: Taylor Hackett, George Rusuloj, Mary Barna, Patrick Bridgeman, Tina Bong, Cassie Fallon, and Lauren Katcher.

Welcome and congratulations to the new brothers of the Epsilon Chapter, nine members from the Fall Pledge Class of 2005 and the five fraters from the Spring Pledge Class of 2006. Thank you to the Epsilon undergraduates for continuing the legacy of excellence and for continuing to support and build great relationships with the alumni, which has helped both parts of our chapter grow and prosper.

Personally, this marks the end of my run as Epsilon Chapter Directorum, a position that I have held since the 2002-2003 fraternal year. During my time as Directorum, I have watched the alumni and undergraduate portions of the chapter grow and stabilize. From what I currently see, I am proud of what our members have accomplished. We are continually growing in number, while maintaining a sense of pride, passion and devotion in our fraternity. Thank you to all active members of the Epsilon Chapter during my terms of service as your Chapter Directorum; you have all helped in one way or another to make these past four fraternal years very successful and memorable. It has been an unbelievable pleasure and a great honor to represent our wonderful chapter to the fraternity-at-large.

I would also like to thank my officers and appointed chairs for their hard work and effort this year and take this time to wish good luck to the new alumni executive board for the 2006-2007 fraternal year. Please note that Frater Leonardo Ortega, the new Directorum, will announce his appointed positions before the beginning of the next fraternal year.

The members of the Epsilon Chapter are looking forward to another enjoyable and eventful convention as we will be arriving in mass to take over the city of Boston.

Best regards with Peace, Friendship, & Brotherly Love,

John Anciano

Epsilon Alumni Directorum

Milwaukee Alumni

Milwaukee Alumni Chapter

2nd row: Carole Fishman, Lou Koplin, Lil Mazur, Jean Maness,
Phyllis Langer, Barbara Altman, and Mel Altman, Excheque
3rd row: Shel Rosen, Jerry Fishman, Bernie Levy, and Shel Berson, PSD

Milwaukee Chapter meets regularly at one of Milwaukee's finest restaurants. The meetings are very enjoyable and well attended. A theater dinner party was held at the Broadway Baby dinner theater. As usual Milwaukee will have fraters at the national convention in Boston.

Fraternally,

Sheldon Berson, P.S.D.

Milwaukee Alumni Directorum

Tau Chapter

The Tau chapter has had a busy year once again. With the closing of the spring semester, four fraters participated in the AIDS walk in Boston raising a couple hundred dollars for the cause. With the start of the fall semester, some fraters participated in the arthritis walk. Then, in September we displayed a wonderful table for the activities fair at the college. At the table we gave away beta fish and informed freshmen and transfer students about Alpha Zeta Omega. With the unfortunate tragedy in New Orleans, we decided to hold a bake sale at the college for Hurricane Katrina victims and raised more than one hundred dollars. Additionally, we collected Yoplait lids to support breast cancer. For fundraising, we recycled ink cartridges, and sold drug cards to third and fourth year pharmacy students. In October, we held a self-defense class as a way to promote safety in Boston. An experienced karate instructor and staff member, Jessica D'Abrosca, instructed the class, and it was open to all faculty, staff, and students. In addition, a Red Cross blood drive was held on campus, and two more bake sales were held for the victims of the Tsunami and the earthquake in Pakistan. In November, we had a faculty luncheon and our second annual

chili cook-off was held. It was a huge success. In December, we participated in World Aids Day handing out information about AIDS and ways to stay safe.

With the start of the spring semester, we held two

rush events, both with great turnouts. We had seven new Fraters complete pledging, all of which are fantastic girls. Together, we held another faculty luncheon in March, and participated in the Face of Pharmacy both at the event and helped stuff folders and goodie bags for all of the legislators and attendees. Our biggest project this

semester was putting together a cookbook. The idea stemmed from an assignment a pledge was given in February and expanded to create a chapter cookbook. We opened up the book to all of Alpha Zeta Omega and received plenty of well-appreciated recipes from supreme and other chapters. Thank you so much for your support, and we cannot wait to show you the finished product at the summer convention in Boston. We hope to see everyone there.

Fraternally,

Rachel Longo
Tau Chapter Directorum

Boston Alumni

Back row left to right: Diane Miccichi, Michele Matthews, Daniella Davis, Michelle Miller. Front row left to right: Catherine Healy, Diane Medeiros

The Boston Alumni, along with the Tau chapter, have been busy planning this summer's National Convention to be held in Boston, Massachusetts from July 19th thru the 23rd 2006. The numerous meetings and hard work have led us to the final stages of planning. We are anticipating a very successful convention; however, we could not have done it without the assistance of Frater Lou and Gloria Flacks. We have brainstormed to find historical yet fascinating places for everyone to enjoy. There are many surprises and exciting events planned so bring your walking shoes and your history caps. This will go down in history.

Recently, some Fraters have married and/or have moved away, but we continue to stay connected to these individuals through Alpha Zeta Omega Fraternity. This convention has actually brought long lost Fraters from the Tau chapter back into existence. So the planning of this convention has motivated all of us to reunite and reminisce about our days in college and the city of Boston.

We appreciate all of the hard work and dedication from the Fraters and Auxiliary members of AZO in helping us host such a wonderful and honorable event. We wish everyone a safe trip and see you in July.

Fraternally,

Diane Miccichi
Boston Alumni Directorum

Beta Chapter

Committee Reports:

Sports: Over the course of the last year, the Beta chapter has been actively involved in intramural sporting events on campus. These events include a Frisbee target throwing competition, a tennis tournament, basketball league, volleyball league, darts league, a soccer tournament, touch football tournament, quarterback challenge, one mile relay, and a putt-putt mini golf challenge.

1st Sub-Director: Our annual dinner dance is scheduled to be held at the Holiday Inn on City Line Avenue on April 22. The cost is approximately \$90 per person which includes a wonderful dinner, an open bar, a DJ to provide entertainment all night, and a commemorative AZO beer mug. Everybody is expected to bring a date for a night full of fun.

2nd Sub-Director: The Fall 2005 pledge class consisted of only one pledge, Sean O'Brien. Congratulations to him for being the newest member of the Beta chapter. There were a few good rushes, the best being our traditional "Blue Whale Rush" where our secret punch is served, along with pizza and hot wings. Apparently it was a success, as we currently have four pledges in our Spring 2006 pledge class. These guys are working hard and are doing a very good job looking professional on campus, representing AZO. It's looking as though they're going to turn out to be excellent fraters.

Social Director: Alpha Zeta Omega has a good relationship with the other Greek organizations on campus. We have a lot of fun mixing with the sororities here at the University of the Sciences. It gives everyone a chance to take their mind off of school and have a good time with their brothers as well as other Greeks on campus. Many of the mixers have a theme where everybody dresses up. This gives everybody a chance to get involved and show their creative side. The best mixer we've had this semester was called "GI Joes and Army Hoes".

Old and New Business:

To bring you up to date, I will provide a synopsis of what we've done over the past two semesters.

When freshman were moving into the dorms, Beta chapter participated in "Luggers and Tuggers" where we unloaded the newly arriving freshman's belongings from their vehicle and assisted them in carrying it to their dorm rooms.

At Halloween, we helped give out candy at our school for their annual "Haunted Hallways". Children from the surrounding community get dressed for Trick-or-Treat and are invited to our school for a safe place to show off their costumes and collect some candy.

The weekend of October 21 and 22 our annual Alumni Weekend took place. On Saturday night, we had rented out the Mill Creek Tavern where a happy hour was held. Food and drinks were included for that night of mixing alumni with current fraters. On the following day, Sunday afternoon, the alumni competed against the active fraters in a softball game.

Our annual Holiday party was held on December 17. Everybody prepared a dish to eat for the event. It was a nice dinner together, followed by a Secret Santa gift exchange.

Gary Damiter

Beta Chapter Recording Signare

Psi Chapter

Members from the Supreme Chapter including Directorum Vince Paul and Undergraduate Representative Matt Gimbar as well as several PSD's attended the induction on Saturday, November 12th and Wednesday, November 16th. There were 33 members initiated between the two dates. Members from the Supreme Chapter including Directorum Vince Paul, Undergraduate Representative Matt Gimbar, as well in addition to several PSD's attended the Initiation on Saturday. At this time officers were installed as follows: Directorum Race Land, Sub-Directorum Barbara Pinon and Excheque Thomas Casares.

The first event Alpha Zeta Omega and the P1 class put on was an annual fundraiser sponsored by the United States Marine Corps "Toys for Tots". The collecting of toys began on Monday, November 20 and ran through the first week of finals. Collection drop-off locations were in the Student Affairs office or with the officers of Alpha Zeta Omega.

Toys for tots ended succesfully as we collected three large boxes of toys which were picked up by officers of the Marine Corps and delivered to orphan children in time for the holidays.

The winter semester proved to be a little more tedious with exams, making events difficult to construct. Events that did occur were "Beach day" in which fraters gathered at Jupiter Beach and enjoyed a nice day at the beach with a picnic style lunch. We also had an AZO breakfast to celebrate a tough exam week.

My fellow fraters and I are extremely excited about our first Rush week! Planning of events will take place during the course of the summer. We also plan to sell College of Pharmacy scrubs to help raise money for the events of 2006-2007 school year.

Faternally,

Race Land

Jay L. Pollock

Supreme Undergraduate 2006 Recipient

An annual award presented to an Undergraduate Frater in recognition of his/her achievements in scholarship, leadership, extracurricular affairs and service to the fraternity.

Frater Taylor Hackett

RECIPIENT OF THE 2006 JAY L. POLLOCK UNDERGRADUATE AWARD

Taylor Hackett has been an AZO Frater since the fall of 2000. She is currently in her 6th year at the Ernest Mario School of Pharmacy at Rutgers University. She has played an active role in the Epsilon chapter and in other organizations throughout Rutgers University over her college career. She has served as Recording Signare ('01-'02), Social Chair ('02-'03), Exchequer ('03-'04), Fundraising Chair ('04-'05) and is now the Philanthropy Chair for which she currently involves herself in projects relating to Hurricane Katrina relief and supporting Alice (a little girl with leukemia sponsored through Rutgers Dance Marathon).

Even from the beginning when Taylor was vice president of her pledge class, her drive and vision were quite apparent. She has participated in numerous activities inside and outside of AZO such as the Big Brother/Big Sister Orientation program for new students in pharmacy, Trooper Turtle (an organization designed to teach children about drugs), countless AZO blood drives, resume workshops, and even as Vice President

of her pharmacy class. Her insight within the fraternity has helped bring Epsilon Chapter into a new era of communication and effectiveness through her help in getting minutes and information out to more fraters through the internet and in helping to control spending at the undergrad level while exchequer. Taylor has been able to achieve all of this while maintaining her academics and juggling her jobs at a nearby hospital and home care pharmacy.

Where her future takes her is uncertain but her commitment can be summed up in her own words: "I may not be able to remember exactly everything that I have done throughout my time here, but I do know that I have always used my voice, and become a part of everything that goes on here." And, when asked what A.Z.O. means to her, Taylor answered: "I am extremely proud to be a Frater of Alpha Zeta Omega. To me, it is more than a professional organization; it is a family of driven, conscientious, individuals who can work together to make any goal attainable".

2006 Meritorious Award Recipient

The fraternity's oldest individual honor given for long and distinguished service

Jeffrey M. Levy M.D., RPh., Zeta Chapter

He was born Jeffrey Mark Levy (now known to all of us as Dr. Jeff) on August 3, 1950 in New York City to two adoring parents Irene and Nat Levy. Jeff grew up in a very middle class neighborhood in the Bronx, New York and attended all local New York City Public Schools. During his growing up years his passion were sports of all kinds; especially baseball, handball, and basketball. School and studying at that time were not his major interests. In fact, they were the farthest thing from his mind. Lives during those years in the Bronx were relatively uneventful. Kids hung out in their neighborhoods. Friends were made, friends moved and their biggest expectations during those years were to stay out of trouble and go to school. Then, at the ripe old age of eight years old life would change forever. Enter Lou Flacks to begin dating his sister, Gloria. Lou was already studying pharmacy at Fordham and somehow, possibly by a process of osmosis, pharmacy seeped into Jeff's blood forever. What's more there appeared to be no turning back. So, while most high school students in Jeff's class were not quite sure of where their careers were headed, Jeff knew in junior high school that he was going to be a Pharmacist. After he graduated high school in 1968 he applied to only one school Columbia University College of Pharmacy and was accepted to begin in September of 1968. In a shady back door deal while in his first year of Pharmacy School he was transferred from the employment of Lou Flacks at Lon Pharmacy in New York City to the high tech, high volume world of Zive Pharmacy in the Bronx where he worked and was mentored by none other than the master Gerry Zive. Under Gerry's watchful eye he was taught the business and practice of modern pharmacy. The next important phase of his life began in College was when he met his first wife Miriam. He was subsequently married in 1972 and upon completion of Pharmacy School they moved to Florida. They were blessed with two beautiful children, Lorin and Adam and proceeded to make their lives in sunny Florida. Jeff went into business and all was going well until the next challenge came along, Jeff decided to go to medical school. Life would never be the same again. The challenge of going to

medical school in the Caribbean with two young children and two dogs, packing up diapers and baby formula was a feat onto itself, none the less successfully completed. The next challenge was to begin a residency in Internal Medicine at 32 years of age. Not only did he complete this residency with honors but he was asked to stay for his final year as the Chief Medical Resident in the Department of Medicine. Ultimately Jeff began his medical career in Primary Care because of his love of people and direct interaction with people who are in need. He eventually was asked to assume the medical directorship at a primary care facility of Cornell Medical College/New York Presbyterian in the Bronx and oversaw the medical care of the eighteen thousand patients that visited that facility each year. In addition to this responsibility he has worked as the Medical Director of the Department of Medicine at New York Eye Surgery Center in the Bronx, New York for the past 15 years where he provides medical consultations and preoperative medical clearances for patients that are to undergo eye surgery. He serves on numerous committees at the institutions that he is affiliated with. His tireless efforts on behalf of his patients have brought him the respect and admiration of his colleagues and the thousands of people that he has cared for over the years. He has always been considered to be the people's doctor with the ability to always relate to his patients in a humanistic and understanding way. Over the years Jeff has been asked to lecture on behalf of many pharmaceutical companies and has traveled extensively on medical and pharmaceutical issues. Indeed, we here at AZO have been privileged to learn from Dr. Jeff's lectures and continuing education programs over the last ten years.

In 1995, joy was added to his life when he met and fell in love with Cari Lopez and her daughter Cristina. Eventually Cari gave birth to their wonderful son, Alex and recently in Dr. Jeff's unconventional style Cari and Jeff were married this past Valentine's Day. The final chapters have not yet been written as this is an ongoing work in progress. No doubt that adventure, comedy and laughs will prevail as time goes on. We will keep you all informed.

Back row: Mel Altman, Jeanne-Marie Holly, Paul Holly, John Chin

CITY OF BOSTON • MASSACHUSETTS

OFFICE OF THE MAYOR
THOMAS M. MENINO

July 2006

Dear Friends:

It is my pleasure to welcome you to the Alpha Zeta Omega Pharmaceutical Fraternity Convention. This convention will not only allow people to come together to share ideas, but will give attendees the unique opportunity to explore the latest in pharmaceuticals and health care.

During your stay in Boston, I encourage you to take advantage of one of America's oldest cities and all it has to offer. Stroll the cobblestone streets of Beacon Hill or the sidewalks of fashionable Newbury Street. Visit the Freedom Trail, vibrant Faneuil Hall Marketplace, and our world-class museums. The charm of Boston lies within its old world atmosphere and its contemporary, international flavor. I invite you to discover our uniqueness and share the excitement, warmth, and hospitality of the People of Boston.

I hope you enjoy your visit to Boston, and I wish you a successful convention.

Sincerely,

Thomas M. Menino
Mayor of Boston

Critics

by David Leonard Dyen Ph.G., D.D.S. *reprinted from the June 1930 AZOAN*

Every path in life is beset with individuals who are always ready to point out ways and means for making our every day burdens lighter. To them the many troubles which bother the other travelers of this work-worn hemisphere are as the trickster's crystal—very clear and very simple. This type is generally classified as a critic. And the only thing wrong with this appellation is that our world is completely composed of critics. The man who goes to see a show becomes a critic as soon as he ventures an opinion concerning its merits and demerits. The patient becomes a critic as soon as he or she decides that he or she knows more than the physician, or actually agrees to obey him. The woman who takes unto herself a husband has probably eliminated all her suitors by criticizing them to the nth degree, unless she has been reduced to that nerve-wracking state where she has had to take what was available, and in this case she immediately becomes one of the most observant critics available, insofar as that unfortunate male is concerned. Therefore to point out any particular person or group of persons as critics is foolish. 'Tis true that there are certain individuals who by continued study of certain industries, sports and amusements, have managed to convince those who are in a position to pay for such convictions, that they know more about those particular subjects than the average man. These men are to the remainder of the earth's population what the eminent physician, who has purchased a suite of offices in the center of the city and announced himself as a nerve, heart, ear, nose, eye, etc., specialist, is to that poor country physician who does nothing but treat influenza as a mild cold and appendicitis as a belly-ache requiring a severe cathartic.

And so we must inevitably arrive at the conclusion that the individual who criticizes is not necessarily a genius, not necessarily clever, not necessarily prophetic. If he has a convincing personality then his opinions will naturally be accepted as final unless another convincing personality opposes those views.

In our Fraternity we can subdivide its members into a number of classes. Just at present there are only two of these with which the present article is concerned. They are: Class 1, critics who are always working in the service of the Fraternity, and, Class 2, critics, who are always talking about the critics who are working in the service of the Fraternity.

By a careful analysis of these two classes the reader will immediately arrive at the conclusion that he belongs to one of these two classes, or he doesn't belong at all. A little more searching and he will probably determine that with very few exceptions Class 1 is composed of the officers and the workers whereas Class 2 is com-

posed of past officers who are living in the sunshine of past endeavors and non-workers, who have no intention of doing anything that might even slightly inconvenience them.

That old adage, "People who live in glass houses should not throw stones," seems to have eluded the latter class. They are those venerable persons who are always ready to offer opinions as to why certain matters are not brought to a successful termination, and always have remedies to offer. Should the duties be offered them so that their highfalutin' ideas may be easily carried out under their personal supervision, they immediately offer excuses that they are too busy.

Now all this is written for but one definite purpose. Remember what you have read, and see if you do not fall into one of those two classes. Determine whether or not you haven't been just

hanging around and shooting off your mouth. There are more ways of killing a cat than to hold up the victim of your criticism to public ridicule. If you are so interested in seeing an officer or committee chairman do his work efficiently, and feel you know just what the trouble is, just offer to assist him and try to tell him personally, and not in a know-it-all or condescending attitude, just how he may accomplish his purposes.

A. Z. O., despite recommendations in our Constitution, does not pay any salaries to its officers, and whatever expenses are incurred in the fulfillment of their duties they usually have to fight for after having laid their personal money out to pay for those expenses. Usually months go by before they are refunded.

With the exception of the small amount of glory which they receive when their name is mentioned in the report of the Supreme Directorium, their reward for hard work is negligible, and to have someone, who is not doing anything material to aid them in any way, hurl remarks of a belittling character is sometimes more than some men can stand. Of course, some veterans have been so inoculated that they are immune to such attacks and simply credit them as ridiculous and forget about them, but not all our officials are in that category.

Remember, when you are about to offer comments concerning the poor write-ups in the AZOAN and the lack of advertisements, the failure of the Supreme Signare and Excheque to continually plead and threaten in order to get some action, that you are doing nothing that is wordly wise. Rather ask yourself: "What have I done to prevent this state of affairs?" The answer to that question ought to stop the criticism or the remarks to be made are unworthy.

This article is dedicated to those eminent fraters who compose Class 2.

JULY, 1978

THE AZOAN

PAGE 2

THE VICE PRESIDENT
WASHINGTON

I am proud to join the Alpha Zeta Omega Fraternity in honoring Hubert H. Humphrey. It is most fitting that your Brotherhood of Professional Registered Pharmacists would dedicate the annual Azoan to this man, son of a pharmacist and a pharmacist himself.

Hubert H. Humphrey has been called "a man for all people" and through his life of dedicated public service all of us have been enriched by his achievements.

In paying tribute to Hubert Humphrey, I would like to put it in his own words:

"In my years of public life, I have tried to serve as a voice and worker for the cause of equal justice and equal opportunity, for the general welfare, and for the common defense of our country. In all these years I have never felt truly alone. I have always been aware of the innate good sense and good will of the American people."

I am proud to join you in saluting the man who has touched our lives and our professions and has made our work more meaningful.

With warm regards.

Sincerely,

Walter F. Mondale

Silent Mortars

*"The Lord giveth and the Lord taketh away.
Blessed be the name of the Lord".*

It is my sad duty to report that the following Fraters have passed away during the past fraternal year:

Max S. Ansell, – Kappa Chapter

Herman Gelb, – Zeta Chapter

Samuel Gelblum, – Kappa Chapter

Leonard Kerstein, – Epsilon Chapter

David Mermelstein, – Kappa Chapter

Mark Millman, – Detroit Alumni

Morton Pepper, – Philadelphia Alumni

Irving Samson, – Kappa Chapter

Joseph Tobin, – Theta Chapter

Leonard Waldman, M.D., – Epsilon Chapter

These were merciful Fraters whose righteous deeds have not been forgotten.

They are transmitted to their descendants; a good inheritance for their posterity.

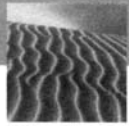

This posterity shall endure forever and their glory will not be blotted out, they live buried in peace; their names live on for all generations. Alpha Zeta Omega will declare their wisdom and recite praise.

*"May the Father of peace send peace to all who mourn
and comfort all who are bereaved"*

Amen.

Paul R. Holly, P.S.D.

Supreme Chaplain and Supreme Good and Welfare

2006 Meritorious Award Recipient

Dr. Jeff Levy

Some people come into our lives and leave footprints on our hearts and we are never the same.

Dr. Levy not only has done this, but the footprints have led us to a path thru life that we would have never found without his guidance, direction and love.

Love,
Shelia & Jerry

Best Wishes
to the
AZO
Pharmaceutical
Fraternity
on their 86th
Annual Convention

McKESSON

Empowering Healthcare

Is proud to support the Alpha Zeta Omega Pharmaceutical Fraternity!

McKesson's Reach in the Healthcare Industry
McKesson touches the lives of more than 100 million patients in a variety of healthcare settings.

Every day...

- We help 25,000 neighborhood drug stores, retail chains and healthcare facilities improve their pharmacy operations.
- We help more than 600 payor organizations manage costs and improve the quality of patient care.
- We help over 50,000 healthcare facilities and physician practices deliver safer, more efficient care.
- We help some 3,000 pharmaceutical and medical-supply manufacturers deliver their products to all points of care.

Scarguard[®] MD

PATENTED SG5[™] TECHNOLOGY

COMBINES THE MOST EFFECTIVE TECHNOLOGIES
USED BY DOCTORS FOR SCARS...*

Scarguard MD patented SG5 Technology

- Simple-to-use, brush-on formula
- Guards against the formation of new scars after injury or surgery
- Flattens and shrinks keloids and old scars

Scarguard MD

is an important
breakthrough...

It is the first & only
scar treatment
to combine what
doctors know to
improve scar
appearance into a
patented, clear
formula. Simply
brush-on twice a
day, and you will
see a difference.

**That's why it's the #1 CHOICE OF
PLASTIC SURGEONS & DERMATOLOGISTS
for scar treatment.**

Scarguard[®], the difference is clear!

*Based on data collected from plastic surgeons and dermatologists surveying their most used scar treatment.
